

VANCOUVERISM: WESTCOAST ARCHITECTURE + CITY-BUILDING

Fast Facts

Vancouverism: Westcoast Architecture + City-Building exhibition will be at Canada House on Trafalgar Square at the 2008 London Festival of Architecture and will feature the works of architects; Arthur Erickson, Bing Thom, James KM Cheng, along with innovative engineers Fast + Epp. For more information on the Vancouverism exhibit please visit www.vancouverism.ca

The Trafalgar Square Demonstration Construction is the stunning display wrapping the corner of Canada House on Trafalgar Square. It is constructed of blocks of sustainably-harvested BC Western Red Cedar, conceived by architect Bing Thom and constructed by StructureCraft.

The London Festival of Architecture will be held in London England from June 20 to July 20 and feature over 600 exhibitions, lectures, public space installations, guided walks, bicycle rides, boat tours, parties, design workshops and debates. For further information about the London Festival of Architecture visit: www.lfa2008.org

Vancouverism: Westcoast Architecture + City-Building is produced by Trevor Boddy. Presented by the Morris and Helen Belkin Gallery of the University of British Columbia, and hosted by the Canadian High Commission at Canada House, Trafalgar Square

Sponsors of the exhibition include: British Columbia Forestry Innovation and Investment, the Canada Wood Export Programme through Natural Resources Canada, StructureCraft Builders Inc., Bing Thom Architects Inc., Fast and Epp Structural Engineers, James KM Cheng Architects, the Canada Council for the Arts, Architecture Program, Aeroplan, the Western Red Cedar Export Association and in-kind support from the Canadian High Commission, London.
